

# GHUC News and Announcements 10 May 2020

## Red Frog Recycling

Please store up your recycled containers until after the COVID restrictions are lifted and in person Church Services resume.

## World Vision - Smith Family Child Sponsorship

It's that time of the year when accounts are rendered, balances balanced and plans need to be planned for the coming financial year. We will get receipts out to all as soon as we can. Email to some snail mail to some.

We have successfully completed our obligations to the sponsored children for this financial year and now need to look to next year, On behalf of those children I thank all who contributed.

We hope all sponsors can continue and that other people may be able to join.

It will be great if all people who wish to be a sponsor can ring me 9636 2880 leave a message if I am not available, or send me an email to confirm their position. [kbharkness1@outlook.com](mailto:kbharkness1@outlook.com) ( please don't use the email addresses in any of the old directories .)

I will advise everyone of the banking details for our sponsorship account so contributions can continue during the lockdown. We have a direct debit arrangement with the bank so must have sufficient funds by the first of each month for the monthly deduction or we may get dishonor fees.

Any questions, suggestions or other things please ring me

## Reminder about how to make Offerings

1. Direct deposit via electronic banking  
Bank Uniting Financial Service.
