CALL TO WORSHIP

One: We come to worship today in our dispersed community,  
feeling the loss of fellowship and connection  
that occurs when we are not gathered together in the one place.

**All: Come Holy Spirit, fill our lives with the presence of your love.**

One: We come to worship today with all our faults and weaknesses,  
all our fears and doubts.

**All: Come Holy Spirit, fill our hearts with hope.**

One: We come to worship today knowing that we are loved and forgiven  
and set free to love others.

**All: Let us worship God together in Spirit and in Truth.**
